BERSEKUTU

BERTAMBAH NIJU

As we proudly commemorate the 66th year of Malaysia's independence through the captivating lens of artistic expression, we here at Artas Galeri take great pride in celebrating Merdeka, the cherished moment that marked the nation's liberation and birth.

This year, our exhibition embarks on a visual journey under the theme "Colours of Freedom."

Just as the diverse hues of a vibrant landscape come together to form a breathtaking panorama, so too do the myriad perspectives and artistic voices converge to honour the rich tapestry of our nation's journey towards independence and unity. Through strokes of brilliance and splashes of creativity, our talented artists explore the multifaceted dimensions of freedom, infusing each artwork with their unique narratives, emotions, and visions.

As you wander through our gallery, you will be immersed in a symphony of colours, shapes, and textures that encapsulate the spirit of freedom in its many forms. From bold brushstrokes that echo the courage of our forebearers to intricate details that speak of the intricate paths to self-governance, "Colours of Freedom" serves as a testament to the power of art in reflecting history, inspiring change, and nurturing a shared sense of identity.

Artas Galeri remains committed to fostering a platform where creativity thrives, ideas are exchanged, and the soul of the nation finds its voice. We extend our heartfelt gratitude to the artists whose boundless imagination has transformed canvases into windows of insight and understanding. This exhibition stands as a tribute to the past, a celebration of the present, and a beacon guiding us towards a future where unity and freedom continue to flourish.

Join us on this journey of artistic exploration as we pay homage to Malaysia's 66-year journey with "Colours of Freedom." Let the canvas speak, let the colours resonate, and let the spirit of Merdeka inspire us all.

Roy Ng, Artas Galeri.
